

BRIAN CHARLES O'REILLY

FRONT END WEB DEVELOPER

416.998.2473 | BRIANCHARLESOREILLY@GMAIL.COM
briancharlesoreilly.com | github.com/briancharlesoreilly

PERSONAL BACKGROUND

A creative at heart with solid leadership and managerial experience in the hospitality industry as a small business owner. Classical training in solid wood cabinet making led to several years of bespoke furniture design and building, rounding out a lively and unique work history. Quick to learn, highly adaptable, with a penchant for forward thinking and novel technologies. Outside of work you'll find me reading a book (bury me in the library) and dabbling in video game design.
